

Saint Paul College Lot D: Offsite Parking for Oversize Vehicles during Northern Green Move-In/Move-Out

1. Enter and exit from Kellogg Ave.
2. Swing gates are located to the left of the automated (Skidata) lane (see photo). The swing gates will need to be pushed open by hand.
3. After driving through, push the gate back into the closed position, so we don't have others trying to use this entrance. You do NOT need to lock the gates.
4. Park in LOT D.
5. If there are issues, Public Safety can be reached at 651.846.1322.
6. Parking fee: Northern Green will invoice your company \$20/day per vehicle after the show.
