Exhibitor Lead Retrieval App

Scan the QR code with your device for the App and Google Play Store

- Or go to the Apple or Google Play store and search for the app, TSLeadsmobile
- Download and install the app.
- Open the app and click ADD EVENT.
- Enter the code provided you by Trade Show Leads.
- Tap on the event, enable the camera if prompted, and start collecting leads.
- Press the “i” for Apple and “Info” on Android from the main screen to view your leads count, leads that have not been synced, email the leads, and customize follow ups and questions.
- Scans will automatically sync if you are connected to the internet. **Make sure all of your leads are synced at the end of the event.**

Please check the info tab to be sure you have the latest version of TSLMobile on your device. iOS is 4.3 and Android is 1.9

TSLeads Mobile

Download and install the app, then enter the event access code provided to you by TSL.

Press i or info to edit and add/edit follow ups, questions, and email your leads. Make sure all leads are synced before emailing leads.

-Tap on the event to start gathering leads. Enable camera if prompted. Click Scan QR Code.

View details of the scanned record, add notes and follow ups, click Save. Click Scan QR Code for the next record.
