The **TSLeads Anywhere Scanner** is a battery operated unit that fits easily in your pocket and leads can be gathered anywhere at the show. Leads are delivered at the end of the show via email. After the badge is scanned, more information on the lead can be gathered by scanning items on the TS Leads Advanced lead qualifier sheet which is at no cost to the exhibitor. A lead qualifier sheet can be created which is specific to your business for a small fee (see page 3).

TS Leads Mobile App is a powerful lead retrieval technology for exhibitors to capture sales leads using an iPhone®, iPod touch® (Version 8.0 or higher), iPad®, or Android™ phone (Operating System 4.0 or higher).
